---

Letters were read:

From the Secretary of the Royal Society of Agriculture, &c., of Lyons, dated 20th June, 1846, presenting to the Academy eight volumes of its Annals, and requesting in exchange the publications of this Society.

From the agent of the Lyons Society, dated New York, September, 1846, announcing that the volumes referred to had been received by him, and awaited the order of the Academy.

From Dr. Charles Huffnagle, of Calcutta, addressed to Dr. Morton, announcing that he had transmitted for deposit in the Academy, a large number of specimens of Natural History from India.

From Mr. C. P. Wickersham, dated Kennett Square, Chester county, Pennsylvania, September 15, 1846, addressed to the Curators, offering to present to the Academy a large slab of sandstone, from the Portland quarries, near Middletown, Connecticut, containing impressions supposed to be of the kind called Ornithoidichnites.
